\$61 From Mangum.

Last week our Treasurer, Mr. E. H. Aycock, received a check from Mangum Branch, for \$61.00, the proceeds from an ice cream supper given on June 8th, by two members of the Mangum Branch of the Rockingham Chapter of the Red Cross, Misses Virginia Stanback and Ermine Baldwin.

Numerous small tables with dainty tea cloths were placed in the pretty grove at Mangum.

Japanese lanterns shed a soft light. Music by a victrola. A cake walk, an auction of cakes, with animated conversation made a delightful evening for all present.

Cream and cake were furnished by members of the Mangum Branch.

We greatly appreciate this liberal contribution from the Mangum Branch of our Chapter. To Misses Baldwin and Stanback we wish to express our great appreciation, for they deserve much credit for this well planned and enjoyable evening. We are glad that these young people are taking so much interest in Red Cross work, and hope that others will catch the inspiration from them.

Again we say thank you, for this contribution. We can always count on those Mangum people for the good things.

Junior Red Cross.

I feel that a few words of praise should be spoken in regard to the Junior Red Cross work which is being done by the 6th grade of our Rockingham Graded School. They have been working for some time, and have sent one or more boxes of articles to be sent to the suffering Belgians. They are now working under the direction of Mrs. J. T. Bennett and Mrs. J. A. Covington, and within a few weeks will have ready for shipment quite a number of bandages, as well as a full outfit for a Belgian infant. For quite a while Mrs. Bennett has been directing these young people in their noble work, and they are very enthusiastic in doing their BIT.

Welcome to Post-Dispatch.

We extend to our farmer friends and others a hearty invitation to visit the Post-Dispatch office while in Rockingham and see just where and how your paper is made. We will be glad to see you and hear from your section.

Butler's Wheat Yield.

J. W. Butler, of Hoffman, ten days ago sold 1500 bushels of new wheat to the Seaboard Milling Co., at Sanford. The wheat was so dry that he cut it one week, threshed it the next, and loaded it at once on cars and shipped.

As a result of the studies at the front, methods have been developed whereby more than 80 per cent of the wounded, who originally remained at the military hospitals for months, are now cured and returned to the forces in three or four weeks.

SEVEN COLORED MEN SENT TO CAMP TAYLOR, KENTUCKY, FROM RICHMOND COUNTY FRIDAY, JUNE 21ST, 1918.

7 NEGROES TO CAMP

List of Seven Colored Men Sent to Camp Taylor Friday Night, June 21st.

Twelve colored men were called to report to the Richmond county exemption board for Friday afternoon, June 21st, at four o'clock. From this number the board selected seven to go on the 10:12 S. A. L. southbound train Friday night for Camp Taylor, six miles from Louisville, Kentucky. Edmund Ellerbe, one of the seven, was placed in charge of the squad. Bibles were presented them and a short talk made them by Jim Little at the exemption board office upon their induction at four o'clock. Immediately afterwards the Post-Dispatch had the seven to go to Morgan's Studio where a group picture was taken. It appears above. And right here we might mention that large pictures of this group can be bought from Mr. Morgan. The Post-Dispatch intends publishing a picture of every squad of drafted men, both white and black, that hereafter leaves here.

The 7 who went are:

1065	James Bland
1170	Will Covington
1718	William Leak
1210	Jerry Grant
1610	Edmund Ellerbe
887	Wiley Nicholson
998	James Watkins

Errors in Meck-

lenburg Article.

Chapel Hill, N. C., June 22, '18
My dear Mr. London:

There are some errors in the Mecklenburg article.

Michel means great, not grant. Carolus from Latin Caro, not Curo.

Carnal not carnae, from the genitive carnis.

Carnis, not carni. Wends, not weeks.

Col. W. S. Saunders once consoled me, when I complained that the paper printed that Chapel Hill is situated on rocks of the Saurentian system, instead of Laurentian, named from the St. Lawrence (Latin Laurentius) river, by saying, "Readers of newspapers consist of two classes, those who know, and those who do not know. The first know that you wrote Laurentian. To the second class Saurentian is as good as the correct name." So I was comforted, and will be now if you think it best to make no correction.

Truly yours,

K. P. Battle.

For the first six months of our operations under the Food Administration, ending April 30, 1918, Swift & Company paid for live stock - 1,558,600,000 ^{DRESSED WEIGHT LBS.} \$323,800,000
For the same period in 1917 1,338,300,000 \$210,400,000
Increase in Weight 16½% 220,300,000
Increase in cost 54% \$113,400,000

The Consumer's Bill for Meat

must necessarily have increased correspondingly, as Live Stock prices and meat prices fluctuate together.

When the producer gets high prices for his live stock, the consumer's meat bill must necessarily be larger.
